SOUTH NORFOLK
SCHOOL SPORT PARTNERSHIP

EVENT INFORMATION

- Teams play against each other in a round robin format.
- The teams finishing in the same position in each group will play off for the overall position.
- Good sportsmanship will be expected from all players, staff and spectators.
- **Unfortunately, we are unable to accommodate parent spectators at this event.**

MATCH INFORMATION

- All matches will be refereed by volunteers. The referee's decision is final.
- All matches will be continuous (no half time).
- It is suggested that team mangers rotate players around different positions and give players equal playing time.
- Roll on roll off substitutes can be made when the ball is dead (e.g. In the goalkeepers arms) with the referees permission.
- Sliding tackles are not permitted (a free kick will be awarded to the opposition).
- There are no overhead height restrictions.
- Goalkeepers must not leave the goal area and outfield players must not enter it. If a goalkeeper leaves the area or an outfield player enters the area and deliberately affects play, then a penalty will be awarded.
- Pass backs to goalkeepers are allowed.
- Goalkeepers can only roll the ball out below waist height (no kicking from hands, drop kicks or volleys).

SCORING

- Teams are awarded the following points depending on the outcome of the match (Win= 3 points, draw= 2 points, lose= 1 point).
 - At the end of the group stage if there is a draw on points, goal difference will be used to separate teams followed by total goals scored and then the head-to-head result between the teams.
 - Final placing matches- in the event of a draw at the end of full time then 2 minutes of golden goal extra time will be played, if there is still no outcome then the best of 5 penalties will determine the winner. A coin will be tossed to decide who take the 1st penalty. Penalties will be taken alternatively by each team. If there is no clear winner once each team has taken 5 penalties, then sudden death penalties will be taken. Only players on the pitch at the end of extra time will be eligible to take penalties including sudden death.
- 

TEAM SIZE

- Squads of 10 with 7 players to start each match.
- Schools may enter a maximum of 2 teams (1 year 7 team and 1 year 8 team).
- There will be separate tournaments for each year group.
- More may be allowed if numbers are low.

EQUIPMENT

Schools must bring their own

- Football.
- Bibs
- Players must wear shin pads covered by socks.
- Players should wear trainers, Astro trainers or boots with moulded studs- No studded boots or metal blades.
- Hair should be tied back, and jewellery removed.

CERTIFICATES

All schools will be sent a participation certificate for each pupil that has taken part in the football event. Schools will also be provided with sportsmanship award certificates for pupils who have demonstrated any of the **School Games Values**.

The winning team will receive medals and certificates and the second and third placed teams will receive certificates.

The School Games values can be used to focus on the process of the competition (the learning opportunities) and not just the outcome (result). By awarding School Games Values awards at our event, we hope it results in greater learning opportunities for young people.
